

CUSMA Cross-Border Impact:

Agricultural Goods

- Increased Market Access into U.S. in Form of Tariff Rate Quotas**
Covers refined sugar and sugar containing products, cheese, cream, milk and butter
- Tariff Eliminations for Whey and Margarine**
Includes liberalized rules of origin for margarine
- Removes Uncertainty and Unpredictability for Chick and Turkey Sectors**
Informed by ability to apply the definition of “specially defined mixtures” in Canada’s WTO schedule on a multilateral basis to ensure tariff quotas are not circumvented
- Protects Sale of Wine and Spirits in Canada**
Maintains commitments that reflect the unique character of wine and spirit sales.
